Subject: AH 410 New Construction: Typo on Page 52 Line 30

Hello Sherrie,

If you can stand one more item for the matrix on AH 410 New Construction, I found a typo the other day:

Page 52,
Line 30: ...which they did not have prior access. It is within the judgment of a **n** assessor inspecting additions...

Thank you, Sherrie!

I should also mention that the reason I was on this page is that one of our appraisers received a question on office duty about the disabled access new construction exclusion. Even in draft form, I found the AH410 the best resource that contains the most up to date guidance on these exclusions in one place. The text and examples do a good job of describing the distinctions and qualifications between RTC sections 74.3 and 74.6. Thanks again to you and your staff for all of your work on the AH410 project!
