TO COUNTY ASSESSORS:

LOS ANGELES COUNTY
ASSESSMENT PRACTICES SURVEY

No. 2002/050

A copy of the Los Angeles County Assessment Practices Survey Report is enclosed for your information. The Board of Equalization (BOE) completed this survey in fulfillment of the provisions of sections 15640-15646 of the Government Code. These code sections provide that the BOE shall make surveys in each county and city and county to determine that the practices and procedures used by the county assessor in the valuation of properties are in conformity with all provisions of law.

The Honorable Rick Auerbach, the Los Angeles County Assessor, was provided a draft of this report and given an opportunity to file a written response to the findings and recommendations contained therein. The report, including the assessor's response and the BOE staff's comments on that response, constitutes the final survey report which is distributed to the Governor, the Attorney General, and the State Legislature; and to the Los Angeles County Board of Supervisors, Grand Jury, and Assessment Appeals Board.

Fieldwork for this survey was performed by the BOE's County Property Tax Division from January through June 2001. The report does not reflect changes implemented by the assessor after the fieldwork was completed.

Mr. Auerbach and his staff gave their complete cooperation during the survey. We gratefully acknowledge their patience and courtesy during the interruption of their normal work routine.

These survey reports give government officials in California charged with property tax administration the opportunity to exchange ideas for the mutual benefit of all participants and stakeholders. We encourage you to share with us your questions, comments, and suggestions for improvement.

Sincerely,

/s/ David J. Gau
