No. 2014/019

April 8, 2014

TO COUNTY ASSESSORS:

**DISABLED VETERANS' EXEMPTION INCREASES FOR 2015**

Revenue and Taxation Code section 205.5 provides that the exemption amounts and the household income limit for the Disabled Veterans' Exemption shall be compounded annually by an inflation factor. Specifically, subdivisions (g) and (h) of section 205.5 provide that, for each assessment year, the inflation factor shall be the annual percentage change, measured from February to February of the two previous assessment years, rounded to the nearest one-thousandth of 1 percent, in the California Consumer Price Index (CCPI) for all items, as determined by the California Department of Industrial Relations.

Information from the Department of Industrial Relations shows that the CCPI increased from 241.242 in February 2013 to 244.037 in February 2014. Rounded to the nearest one-thousandth of 1 percent, this is an increase of 1.159 percent (factor of 1.01159). Applying this factor to the 2014 exemption amounts of \$124,932 and \$187,399 results in 2015 exemption amounts of **\$126,380** and **\$189,571**. Applying this factor to the 2014 household income limit of \$56,101 results in a 2015 household income limit of **\$56,751**.

For your information, the exemption amounts and household income limits for prior years are enclosed. The disabled veterans' exemption forms (BOE-261-G and BOE-261-GNT) have been updated and will be mailed with the other BOE-prescribed forms. Please call our County-Assessed Properties Division at 1-916-274-3350 if you have any questions regarding this exemption.

Sincerely,

/s/ David J. Gau
