TO COUNTY ASSESSORS:

BOARD OF EQUALIZATION WEBSITE MODERNIZATION

In 2017, the Legislature passed [Assembly Bill 434](#), (AB 434) requiring each state agency's Chief Information Officer and Director to certify that the agency's website has met certain web accessibility requirements by July 1, 2019.

The Board of Equalization's (BOE) website will be updated to comply with this requirement. We are making every effort to make all of our material compliant by July 1st. However, any material that cannot be made compliant by this date will be, temporarily, removed from the website until it is remediated. Non-compliant material will be made available in other formats (hardcopy or electronic), as requested.

Additionally, the BOE is taking this opportunity to modernize our website for a better user experience. We will keep you informed as these changes are made.

Please contact us at PTWebRequests@boe.ca.gov for assistance or if you have any questions. We appreciate your patience during this process.

Sincerely,

/s/ David Yeung
