TO COUNTY ASSESSORS:

COMMUNITY LAND TRUST HOUSING DATA – 2021 LIEN DATE

A community land trust (CLT) is a non-profit organization that facilitates the development of permanently affordable for-sale and rental housing on land owned by the CLT. With respect to for-sale housing, a CLT makes home ownership available at affordable prices to persons of low and moderate income. Buyers acquire full ownership of the improvements, but lease the underlying land parcels from the CLT under renewable 99-year ground leases which have recorded deed restrictions or other instruments that enforceably restrict the sale or resale value to low and moderate purchasers at affordable prices. This model allows a CLT to maintain permanent communities of affordable home ownership, even as individual homeowners replace each other over time.

Effective as of lien date January 1, 2020, Senate Bill (SB) 196 (Stats. 2019, ch. 669) added section 214.18 to the Revenue and Taxation Code, to allow a CLT to file a claim for the welfare exemption if certain conditions are met. In addition, uncodified language in SB 196 also requires the State Board of Equalization (BOE) to annually collect data, which language reads as follows:

SEC. 6. … To assist the Legislature in determining whether the exemption allowed by Section 214.18 of the Revenue and Taxation Code fulfills the goals, purposes, and objectives as described in Section 1 of this act, the State Board of Equalization shall annually collect data from county assessors to quantify the amount of assessed value exempted, and the number of owner-occupied dwelling units or rental units, or both, created by community land trusts granted this exemption. Community land trusts claiming this exemption shall provide information to county assessors, in the form and manner as required by the county assessor, about the additional housing created.

1 All statutory references are to the Revenue and Taxation Code, unless otherwise provided.
2 Pursuant to section 214.18(a), a property owned by a CLT must otherwise qualify for the welfare exemption under section 214.
3 Section 214.18(a)(1) through (3). For more information on SB 196 and CLTs, see Letter To Assessors No. 2020/013.
To comply with this requirement, BOE staff sent a questionnaire to all County Assessors requesting specified data for the 2021 lien date. BOE staff received information from the following 28 counties:
