## General Information

The purpose of this claim is to inform the assessor that the assessee is a "bank or a financial corporation" exempt from personal property tax. The franchise tax imposed on general corporations in California is specified in Revenue and Taxation Code section 23151. Section 23186 specifies the franchise tax rate for banks and financial corporations. Each corporation (entity) stands on its own (even if combined returns are filed) when determining which franchise tax rate is to be imposed on net income.

A financial corporation is one which deals primarily in moneyed capital as distinguished from other commodities **and** whose predominant activities are in substantial competition with the activities of national banks.

If the firm is **not** subject to the franchise tax rate specified in section 23186, the firm is not a bank or financial corporation and does not qualify for the personal property exemption under section 23182. The personal property of state chartered credit unions, however, is exempt from property taxation.

## Claim Instructions

1. Type or print the name of the person who is signing the claim.
2. Type or print the title of the person who is signing the claim.
3. Type or print the exact full name of the corporation (entity) that qualifies as a bank or financial institution and check the appropriate box.
4. Type or print the corporate number issued by the California Secretary of State. If this number has not been issued, type or print the equivalent number assigned by the Franchise Tax Board. Provide both numbers if available.

7. If other information is attached, check the "Yes" box. 8. Type or print the name, title, address, and telephone number of the person to contact during normal business hours for additional information.
