CALIFORNIA STATE BOARD OF EQUALIZATION

GEORGE RUNNER
MEMBER, 1ST DISTRICT
George.Runner@boe.ca.gov

California is home to nearly two million veterans who served this country with honor and distinction. The Board of Equalization offers several tax breaks to help those who served in the U.S. Armed Forces.

These benefits are given in appreciation for the great sacrifices that men and women in uniform make every day so Americans may continue to enjoy the rights and freedoms upon which this nation was built.

TAX TIPS FOR VETERANS

Own Limited Property? Veterans who own a limited amount of real or personal property—\$5,000 or less if single and \$10,000 or less if married—may be eligible for a property tax exemption.

Buying a car? If the U.S. Department of Veterans Affairs is paying any portion of a vehicle purchase directly to the dealer, that portion is not subject to sales tax.

Disabled? Veterans who have received a 100% disability rating may qualify for a partial or full exemption from property tax on their principal place of residence. A new law allows veterans to claim a refund for up to eight years of prior eligibility.

Mobile Vendor? The sale of certain items by qualified itinerant vendors is not subject to tax. Eligible vendors must be sole proprietors with no employees and, among other requirements, be unable to obtain a livelihood due to a service-connected disability.

Nonprofit? Nonprofit veterans' organizations making sales of merchandise or goods generally must hold a seller's permit. However, the sales of American flags, certain veterans' memorial lapel pins, or meals served at the organization's events are not taxable.
